

The Pure Team

MASTERS IN THEIR FIELD

Our team consists of well educated and trained, friendly dental professionals who make visiting the dentist a wonderful experience. Equipped with pearly whites of their own, which are always on display on their smiling faces. They naturally treat every patient as if they were a part of their family, with the utmost respect, dignity and kindness.

Jeffrey H. Fox, DDS

Dr. Jeffrey Fox attended Columbia University in Manhattan, graduating with a BS in Chemistry and Mathematics. He attended SUNY at Buffalo Dental School, earning his doctorate in Dentistry in 1984. Dr. Fox founded and has directed five dental practices on Long Island since 1986. He is recognized as "One of America's Top Dentists" by the Consumers Research Council of America.

Dr. Fox has written extensively about his work in cosmetics and mini dental implants. He has been published in various local media, been heard on the radio, and has been interviewed and televised. He has mentored and taught various cosmetic, dental, and implant procedures over the past 28 years. He is recognized as a pioneer in the field of mini dental implants by many of his colleagues. Dr. Fox prides his dentistry and he has placed over 15,000 implants over the past 5 years, all of which supported major reconstructive work.

Dr. Fox travels extensively learning the most advanced techniques from the leading surgeons in the world. In 2013, Dr. Fox traveled to Portugal, and personally trained with leading implantologist Palo Malo, who is also the innovator of the "All-on-Four" implant technique. He was able to get hands on experience learning one of the major breakthroughs in implant dentistry.

Dr. Fox is a member of:

AGD - Academy of General Dentistry
NYSDS - New York State Dental Society
SCDS - Suffolk County Dental Society
AOI - Academy of Oral Implantology
AID - Academy of Implant Dentistry
ACD - Academy of Cosmetic Dentistry
DOCS - Dental Organization for Conscious Sedation
IAMDI - International Academy of Mini Dental Implants
Fellow of the International Academy of Mini Dental Implants
Master, International Academy of Mini Dental Implants
Who's Who in Dentistry

Keith J. Vibert, DDS

Dr. Keith Vibert graduated from Stony Brook School of Dental Medicine, where he received his Doctor of Dental Surgery degree and completed electives in cosmetic dentistry and endodontics. Dr. Vibert then went on to complete a one year General Practice Residency at Stony Brook University Hospital where he received extensive training in the areas of implant dentistry, cosmetic dentistry, and fixed prosthodontics. Prior to attending dental school, Dr. Vibert attended Stony Brook University receiving his bachelor's degree in biology.

Dr. Vibert regularly attends continuing education courses to ensure his patients receive the most sophisticated, and advanced dental care possible. He is certified in Invisalign and permitted to perform IV and Oral Sedation in New York State.

Dr. Vibert travels extensively learning the most advanced techniques from the leading surgeons in the world. He has personally trained with leading implantologist Palo Malo, who is also the innovator of the "All on Four" implant technique. He was able to get hands on experience learning one of the major breakthroughs in implant dentistry.

In his free time Dr. Vibert enjoys spending time with his family, fishing, golfing, watching sports, and traveling.

Dr. Vibert is a member of:

ADA - American Dental Association
AGD - Academy of General Dentistry
NYSDS - New York State Dental Society
SCDS - Suffolk County Dental Society
AOI - Academy of Oral Implantology
AID - Academy of Implant Dentistry
ACD - Academy of Cosmetic Dentistry
DOCS - Dental Organization for Conscious Sedation
IAMDI - International Academy of Mini Dental Implants
